# Experience

ANY are born into this world with brains, but no one is ever born with experience.

There are times when our experiences make both our brains and bones ache, but it's all good and necessary that we may know the law of "thus far and no farther. We stand for and urge moderation in all things. Those who drink

with common sense receive positive bodily benefit; those who do not, do not deserve to.

HALP!

The recent act of the legislature, allowed to become a law without the Governor's signature, does not impose any license tax upon merchants using S.&H. green trading stamps or impose any liability upon them whatever. The act only imposes a license upon the companies furnishing the stamps and we will continue doing business in Indiana, taking such steps as are necessary to protect its legal rights so to do. Neither the merchant or the public are affected by the act.
